## BiG Taco Report

As we look forward to a new year, we would like to thank each and every one of you for all of your hard work and dedication through this very difficult year.

Covid was something none of us could have imagined yet we were able to deal with it through the dedication of our awesome teams.

We do not know when we will re-open lobbies for dine in companywide, that will be determined mostly by government mandates. Our focus is and will continue to be to keep all B&G personnel as safe as possible.

Three hurricanes, which vastly affected our entire company from Houston to Pascagoula, were an enormous challenge. Everyone did an awesome job of rebounding from the storms and getting stores reopen. Even though we still have a few stores closed in the Lake Charles area, we hope to have those reopen soon.

Also as a reminder for the holidays, please be sure to brush up on all cash and safety procedures, counterfeit bills become more prevalent this time of year, as well as robberies. Keep cash drawers light. Also, please never open the back door after dark for any reason.

Wishing you and your families a happy holiday season and a wonderful new year.

### *Profile of a Champion*

Jessica Davis of 24526 Fort Polk, LA has been a dedicated employee of B&G for 9 years. She has worked both Taco Bell and KFC. She enjoys coaching her team and encouraging them to meet goals; her favorite being speed with service and satisfying customers. Becoming a Shift Leader at a young age, she is most proud of her progress with learning, growing and becoming a better leader for her team. Jessica takes feedback very well and uses it to better herself and coach her team. She loves to sing and make people laugh. Family is important to Jessica, so when she isn't at work with her Taco Bell family, she likes to enjoy the company of her own family as much as she can.

*Jessica, thank you for all you do! We appreciate YOU!*
