## BiG Taco Report

As June marks the half way point of the year, 2021 has so far been interesting to say the least. We remain hopeful that the worst of the pandemic is behind us and the world will continue to open back up to normal life again with no restrictions. We wish health and safety for all of you and your loved ones throughout the remainder of 2021 and beyond.

Again we cannot thank you all enough for the dedication you have shown by continuing to serve your communities throughout these crazy times.

Speaking of crazy, June brings on the beginning of hurricane season, yes it is that time of year already for goodness sakes. After last year's record breaking hurricane season, 2021 is being predicted to also be a very active season. Not that I wish any ill will on anyone, but it seems that the Atlantic coast is due for a few storms, and maybe they can get the bigger share of them this year.

That said, we need to be prepared; please be sure all team members know the drill; stay in contact with everyone before during and after the storm passes. We always want to try and reopen the stores once it is safe to do so to serve our communities. **Please** remember to continuously talk to your teams about **NOT** listening to **NATIONAL** weather forecasters when it comes to hurricanes, it is their job to scare the heck out of everyone; so listen to the **LOCAL NEWS**, not the national news or the weather channel. They **often make things seem worse than they are**, especially when it comes to hurricanes.

Please continue to stay hire ready to prepare for summer sales, and double down on all safety and security procedures such as proper cash handling and no opening back doors after dark. **We must remain diligent in making sure all closers are following the proper closing procedures...that is the best way for everyone to stay safe.**

Hoping everyone has a great summer!

### *Profile of a Champion*

Diana Caillouet is the RGM at Taco Bell # 26732 in Houma, LA. She has been with B&G for 29 years. She's always willing to help out another store when needed, including on her scheduled days off; and going as far as changing her work schedule to help them. Diana love spending time with her family, especially her granddaughter, Kay. She also enjoys going on road trips with her family where they can tour different parts of the United States. During her spare time, she enjoys baking goodies for her team. Thank you Diana for all the years contributing to our growing company; you are truly a champion.

*Thanks, Diana, for being a Champion! We appreciate YOU!*
