BiG Taco Report

August brings time for back to school and the kickoff of the fall sports season. Along with this, some of our student team members will be less available to work due to school schedule and sports related activities.

Please remember the B&G referral bonus program which enables you to receive up to a \$200 bonus for referring someone to work for B&G. We have had 200 referrals hired throughout the company since the referral program started in March of this year. Please help your store with staffing by referring someone to work with you that you know would be a good fit for your team and receive bonus money! Ask your Restaurant manager for details on how to get a referral bonus.

Staffing continues to be a huge challenge across all B&G markets. We are having success with starting to source more team members. As more and more people reenter the work force, everyone needs to try to be welcoming to new team members, many whom this will be their first job. As the world gets back to normal in the coming months, we will hopefully see a trend of applicant flow continue to improve so staffing levels can begin to return to pre-covid levels.

This time of year also brings us to the peak of hurricane season. We all know there will be storms sooner or later. Please remember to stay in contact with your managers; don't let the national news scare you; and listen to local news outlets. Once the threat of storm passes, we try our best to get back open to serve the communities we operate in.

As always, thank you to everyone for all your hard work and dedication.

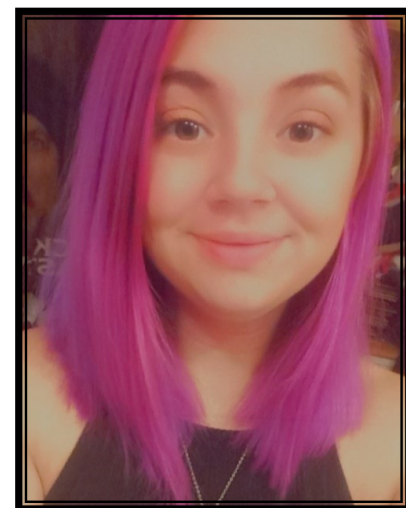

Greg Hamer Sr.
