## **BiG Taco Report**

Spring is upon us; days will get warmer and longer soon. We will hopefully continue to improve staffing and with that, be able to extend hours of operation where necessary.

This will bring more sales, more transactions and more opportunity for the Round Up Program!

The Round Up Program is the new fundraising tool to replace the traditional 3 fundraisers we do each year. Please have your teams focus on the Round Up Program. All the cashiers have to do is ask the customer if they would like to round up to the nearest dollar amount. Most people, when asked, will allow for the round up. With close to 70% of our sales coming through credit or debit cards, round up is an easy way to raise money for good causes.

So please have all cashiers ask every customer with every transaction if they would like to round up!

A quick reminder on harassment and workplace violence.

We have seen increases in both harassment and work place violence recently. Please remember if at any time you feel threatened by someone, do your best to remove yourself from the situation and use the panic buttons in the store if necessary.

People are crazy and your life is not worth an argument with a crazy person.

For harassment, always immediately report any issues to your RGM, AC, or RC, or you can contact the HR department at the office by phone, 985-384-3333 ext. 139 or by emailing [dmendoza@bgfood.com](mailto:dmendoza@bgfood.com).

Lastly, the B&G Scholarship applications will be coming up soon; please spread the word. It is a great program that can go towards any type of college, trade school, or similar institutions.

Stay safe and thank you for all you do.

*Greg Hamer Sr.*

After a 5 year hiatus at the warehouse in Morgan City, where the Colonel took time to recharge and reflect on the past, the Colonel has returned to action at his new home, our Baytown KFC/Taco Bell. The Colonel would like to thank his support staff, the maintenance team of B&G, for their care and security over the past 5 years. The Colonel plans to dominate and impress all the visitors to Baytown for many years to come. Lastly the Colonel wants everyone to know that yes, he still is that Dude.

## Safety in our Stores

This message is to everyone from RGM's to Head Coaches, everyone in between and all restaurant support staff (IT, asset protection, maintenance, etc.)

We have seen a huge uptick in violence around our stores, from employee vs employee, customer vs employee, customer vs customer.

We have got to double down on our safety and security measures, the most urgent being the proper function of back doors and back door alarms. If the back door does not automatically close securely on its own, if the back door alarm does not work or is not loud enough to make you want to put a pillow over your head, if the strobe light for the back door is not installed or is not blinking when back door is open. If any of those issues exist you have a back door issue that needs to be immediately resolved.

We ask that everyone on this email, on each and every visit to a store, be sure to check the back door and back door alarm for proper function. If you have any issues immediately get the work entered into Corrigo and be sure maintenance is made aware so they can follow up on a quick fix for the needed work.

Maintenance will treat back door issues as URGENT, and will work to make sure the items are fixed as quickly as possible.

Thank you to everyone for all that you do and please, please make checking the back door functions is made a priority, the safety of our teams depends on it.
