BiG Taco Report

As everyone gears up for the summer months and warmer weather, we continue to make strides improving our staffing levels, slowly, but surely. Now that we are serving breakfast company wide and extending our late-night hours, we are continuing to build sales momentum.

Mid-May Taco Bell brings back the beloved Mexican Pizza and with school letting out over the next month, we are hoping for business to stay strong.

Please remember that you can earn extra money by having one of your friends come to work for B&G. See your RGM for details.

Please remember that B&G pays overtime pay at 1½ times your hourly rate. If for any reason you are not paid for all your hours, contact Human Resources.

Be aware of all the SCAMS that people are trying to use. No one at B&G, including Above Store Leaders and Managers, will ever call the store asking you to get money out of the safe or registers. Never take out money for any reason. If you're asked to do so, it is a SCAM... JUST HANG UP THE PHONE.

B&G wants to remind everyone of our harassment policies; under no circumstances is any type of harassment or mistreatment tolerated in B&G Food restaurants. Any such behavior should be reported to the RGM, AC, or Human Resources at the office immediately.

It is important for everyone to stay vigilant with safety and security procedures. Never opening the back door after dark, always following cash procedures, always being aware of any suspicious activity, verifying camera systems are fully operational, and never being in a store alone are all things that are important for you and your team's safety.

B&G- NRAEF/USDOL APPRENTICE PROGRAM

B&G has teamed up with the National Restaurant Association Educational Foundation and U.S. Department of Labor to offer an opportunity to those employees interested in a long-term career in Restaurant Management. The Apprenticeship Program offers employees an alternative to attending a college or university with a two-year program. The program allows you to learn while you earn, which gives you credit for your restaurant work experience and training while taking the courses that are part of the curriculum within two years. Once you've completed the curriculum, you will receive a Certificate of Completion from the National Restaurant Association Educational Foundation and U.S. Department of Labor, which is equivalent to a two-year degree. This certification is recognized in the Hospitality and Quick Service Industry and could help those interested in advancing to a higher paid position in restaurant management.

We recently held our first Apprentice Graduation Ceremony honoring Kaylin Herron and Scott McConnell

Kaylin Herron

is a 2015 graduate of Tioga High School. She began her career at Sonic while still attending high school, and continued to work with Sonic as a car hop until after graduation when she started working as a trainer for Raising Canes in Alexandria. In 2018 Kaylin joined the Taco Bell team as a shift leader for the new location that was opening in Pineville, LA. In 2020 Kaylin started the Restaurant Manager apprenticeship program while working as a Shift Leader in Pineville, LA. In August of 2021 Kaylin was promoted to an ARGM of location 3532 also in Pineville, LA.

Scott McConnell

is a 2017 graduate of Pineville High School. Scott began his career at Taco Bell in Alexandria LA as a food champion while still in high school. While in school Scott moved into a team trainer role with Taco Bell and shortly after graduation Scott was promoted to a shift leader. In 2020 Scott started the Restaurant Manager apprenticeship program while working as a Shift Leader in Pineville, LA, in early 2021 Scott took a promotion and start his in-store training as an RGM in Lafayette, LA, returning later that year in August as the RGM of location 3532 also in Pineville, LA.

Store 30183 DeRidder
 Customers Haylee Young and Jason LaVergne are getting married May 21st and decided to take engagement photos at Taco Bell. Haylee said, "I always wanted to elope in Vegas but my fiancé wants a traditional wedding so for our engagements we decided to fake elope. And my dream elopement would 100% include Taco Bell. Anyone who knows me knows if I choose where we are eating that's where we will go. Y'all's staff was so welcoming and even had sauces with sweet messages picked out for us to use for our shoot. We are so thankful we were allowed to snap some quick pictures there. Thank y'all so much!"

Congratulations, Haylee & Jason!
