BiG Taco Report

All members of B&G restaurant teams are the most important part of operating a successful restaurant company. You all have many choices where you choose to work and we are very lucky to have each and every one of you on our team. We strive to provide each of you with a healthy and safe working environment at your restaurant. To improve on that mission of being a great place to work, we are starting an Employee Voice Hotline.

We want you to know that you have A VOICE! Your opinions and feelings matter and we want to know of any issues you may be having at the workplace so that we can improve. If you have been mistreated in any way, or have any issues that are making the restaurant environment unpleasant, we want you to text **985-300-5884**, 24 hours a day, 7 days a week. Your issues will be addressed and you will get a response from our Human Resources Department which will be monitoring all communications sent. Within 24 hours of sending a text, you will receive a reply letting you know that your message has been received. We will immediately begin to look into your claim and get you an answer on your issue.

Again, the number to text is 985-300-5884.

If you prefer to call in, use the number 888-412-8226, option 9, then option 1.

We want everyone to know that we care and want to help all our team members enjoy a great working environment. We will be posting the Voice hotline number inside of the restaurants soon, but the hotline is live and working now.

Safety and security remain top of mind; workplace violence involving team members and customers is at an all-time high. If presented with a situation, everyone should please do their best to de-escalate the situation as best they can, and use the panic buttons to contact the police if necessary. Please follow all safety and security procedures daily; be aware of your surroundings and look after each other.

Stay safe and as always, we appreciate all that you do!

Greg Hamer Sr.

Profile of a Champion

Ann came to work for B&G Foods in 1995 as a team member at our old Grand Caillou location with Carolyn Henry as her RGM. At that time Ann was also employed with Terrebonne Parish School Board. She retired from the school in 2017. After a few months with the company Ann was promoted to Shift Leader. During her years with the company Ann has been a very loyal and dedicated employee. Ann has helped with hiring, training and any task asked of her. She always came in when needed on her off time. All of which is greatly appreciated.

Ann has decided to retire from B&G at this time. She plan to take care of her mother and travel to visit her children who are serving in the military. It has been a great pleasure having Ann as part of the B&G family all of these years. We wish her the best and blessings as she moves forward in life.

Thanks, Ann, for being a Champion! We appreciate YOU!

Notes for equipment care from the Maintenance Department:

- ☑ The GTO Line needs to be turned off at night so that the rails can defrost. Please do not use hot water to defrost rails. This damages the unit.
- ☑ Don't pour water on the Griddle and Split Lid Toasters while hot. This will cause the plates to warp.
- ☑ Make sure to use correct filter paper for fryers so the pumps don't get jammed.

MORE STORES COMING SOON!

Welcome Little Ones

Kimberly Guarisco, in our Insurance Department,
recently welcomed daughter Hazelyn Marie Mayon
on Saturday, July 30th.

Congratulations Kimberly & Family!

Uriel Flores, RGM at 27804 Magnolia, TX,
recently welcomed son James Andrew Flores
on Thursday, September 22nd.
Congratulations, Uriel & Family!
