ELECTIVE DEFERRALS

Your elective deferrals are amounts that you choose to (or are assumed to have chosen to) have withheld from your paycheck and contributed to the Plan in your name. Please see the section of your SPD titled "Eligibility" to determine if you are eligible to make elective deferrals and "Compensation" for the definition of compensation you may defer into the Plan.

How do I make or change my deferral election?

You may make or change your deferral election by returning a deferral election form to the Plan Administrator.

Once I make a deferral election, how often can I change, stop, or re-start the election?

You may change or re-start your deferral election the first day of the plan year and the first day of the seventh month of the plan year. You may stop your deferrals at any time.

If I make a deferral election is the amount withheld from my paychecks taxed?

You will have the option to decide if the amount you elect to defer into the Plan is taxed or not. If you choose to have your elective deferrals go into the Plan as pre-tax elective deferrals, you will not be taxed until you take the money out of the Plan. If you choose to have your elective deferrals go into the Plan as Roth elective deferrals, you will be taxed on that money when it is taken out of your paycheck, but it will not be taxed again when you take it out of the Plan. The earnings on those Roth elective deferrals may be taken out tax-free if certain conditions are met. Please see the SPD for more information on Roth elective deferrals.

Are there any limits to how much I can defer into the Plan?

Your elective deferrals are subject to the following limits:

- Your total amount of deferrals cannot be more than \$22,500 (for 2023).
- If you are age 50 or over, you may defer an additional amount, called a "catch-up contribution," of up to \$7,500 (for 2023).

The Plan Administrator may establish additional rules you will need to follow when making your deferral election. Your deferral election is only effective for compensation you have not received yet. The Plan Administrator may also reduce or totally suspend your election if they determine that your election may cause the Plan to fail to satisfy any of the requirements of the Internal Revenue Code.

SAFE HARBOR CONTRIBUTIONS

The Plan Administrator intends the Plan to be a safe harbor plan. In a safe harbor plan, if certain requirements are met, the Plan will be deemed to automatically pass certain IRS required non-discrimination testing (ADP, ACP, and top-heavy). One of these requirements is a minimum level of employer contributions referred to as "safe harbor contributions". Please see the section of your SPD titled "Compensation" for the definition of compensation used to determine safe harbor contributions. The Plan may be amended during the plan year to reduce or suspend the safe harbor contributions. The reduction or suspension will not apply until at least 30 days after you are provided notice of the reduction or suspension.

Am I eligible to receive safe harbor contributions?

Once you meet the eligibility requirements below, you will be eligible to receive safe harbor contributions unless you fall into one of the following categories:

- You are an employee covered by a collective bargaining agreement where retirement benefits were the subject of good faith bargaining.
- You are a non-resident alien with no U.S. sourced income.

What eligibility requirements do I have to meet to receive safe harbor contributions?

You will be eligible to receive safe harbor contributions on the first day of the first month and seventh month of the plan year coincident with or next following the day you meet the following requirement(s):

- You attain age 21.
- You complete 1000 hours of service in a 12-month period.

Will safe harbor contributions be made to my account under the Plan?

Yes, as long as you are eligible to receive safe harbor contributions, a safe harbor matching contribution will be made to your account according to the following formula:

- 100% of your deferrals up to 3% of your compensation; plus
- 50% of your deferrals over 3% but that do not exceed 5% of your compensation.

Will any additional contributions be made to my account under the Plan?

Additional contributions may be made to your account under the Plan. Please see the section of your SPD titled "Contributions" for information on any further contributions.

VESTING

Vesting refers to the amount of money you have in the Plan that you have a non-forfeitable right to receive. You may be required to work a certain amount of time to earn certain contributions to the Plan. Please see your SPD section titled "Vesting" for more information about vesting and how it is calculated.

Do I need to work a certain amount of time to keep my elective deferrals and safe harbor matching contributions?

No, you will always be immediately 100% vested in your elective deferrals and safe harbor matching contributions.

Do I need to work a certain amount of time to keep my matching contributions?
