

# Bi&G Taco Report

## Human Resources Reminders

The main goal for Human Resources is to help B&G build and maintain a positive and safe working relationship with our employees. Furthermore, we ensure the organization complies with labor laws and regulations to minimize legal risks. We strive to maintain effective lines of communication between departments to ensure B&G runs as efficiently as possible. We believe that the “Yes I Can” culture is instrumental in the success of B&G and will continue to drive our company forward for years to come.

### **Insurance**

-All incidents on company property must be reported ASAP, no later than 24 hours.

### **Safety Protocol Reminders**

- No employee is allowed to exit the store once the lobby doors are locked except to go home.
- No employee is to open the door after dark, NO EXCUSES.

### **Separation Notices**

- All separation notices must be sent to the office within 3 days of employee termination.

### **School is in Session**

- Please review work hours for all 16 & 17 year olds.
- Employees with company vehicles, be aware of school zones; slow down.

### **Have You Had Your 1-on-1's Yet?**

- Please make it a practice to have your teams engage in 1-on-1 meetings at least once a period.

### **Uniforms & Hygiene**

- All employees should be dressed in proper Taco Bell uniform and following all hygiene procedures.

# YOU HAVE A VOICE!

Employees can text anytime they feel they have been treated unfairly, harassed in any way, to speak about unsafe work conditions, or have any issues with pay or being paid properly and on time.

# NACHO Average TEAM

## Patrick's Region

From Area Coach: Jason Long

32399 Lucedale, MS

"I would like to give a big "shout out" to Alex and her team at 32399 Lucedale! This group has built a culture of teamwork and growth to help make them one of the best quick service restaurants in the area. Lucedale is consistently at the top of their area and region when it comes to results; this is in large part to the culture that has been built at this store. During the last visit, two separate customers complimented this team. While later that afternoon, like second nature, a door was held open as an older couple came inside to make a purchase. I want to thank RGM Alex for casting a positive leadership shadow for her team. I would also like to thank this team for making a customer first culture happen each day!"

## Alma's Region

From Area Coach: Margarita Ramirez

27801 Wallisville, TX

"I would like to take a moment to recognize RGM Marco Trevino and Team Wallisville. They took over a challenging restaurant in P5 and got to work right away focusing on Team development. They hired and trained the team utilizing tools and processes to improve daily operations. P5, their first period in position, they turned sales from negative to positive utilizing consistent routines and processes closing out with a 3.5 Supreme rating. In P6, P7, and P8, they continued to deliver positive sales growth with a solid 4.5 Supreme rating. Did I forget to mention this is our last Taco Bell/LJS. Outstanding!"

## Michelle's Region

From Area Coach: Juanita Antoine

15758 Larose, LA

"Congratulations to Sherry Jimenez and her entire team at 15758. Sherry and her team were a Q2 signature restaurant qualifier. What a huge accomplishment for this location. Sherry's dedication and leadership is shown consistently in her team's performance. A big "Thank You" to our AGM Jessie Gaudet who is also instrumental in the performance of this location. Great things are never done by one person. They're done by a team of people. THANKYOU to the entire team at 15758 Larose, LA for their family culture and always putting the customers first."

## Vivianne's Region

From Area Coach: Ivy Figaro

22772 Broussard, LA

"I would like to recognize store 22772 for the excellent culture in this restaurant. Our RGM Patricia is consistent in nurturing an environment that is welcoming to all that enter her restaurant, customers and employees alike. Every holiday she decorates the dining room area so that the customers can feel the spirit of the holiday. The store has an employee appreciation day each quarter in which she has food and treats for them to enjoy. These things ensure the happiness of customers and employees; you can see it in the results of this restaurant. Thank You Patricia Leopold for casting a positive leadership shadow in your restaurant and this area for all to follow."
