

BiG Taco Report

Congrats Team Many!!!

January 2025

**RECORD
BREAKING**

Happy
New
Year
2025

As an area coach for over 30 years, this Taco Bell represents a dream I've had since 2012. I've always envisioned this store thriving in the wonderful rural community of Many, Louisiana, in Sabine Parish. With a population of about 2,200, this community has long traveled to nearby Taco Bells, often sharing their hope for one closer to home. On December 9, 2024, that dream became a reality, thanks to the B&G family and the incredible efforts of so many people behind the scenes.

From the moment we opened the doors, the response was overwhelming. We broke company records with over \$106,000 in sales during our first week. The success continued with \$85,000 in the second week, \$57,000 in the third week (despite a half-day on Christmas Eve and being closed on Christmas Day), \$61,000 in the fourth week, and \$66,000 in the fifth week. These incredible milestones wouldn't have been possible without the teamwork, support, and dedication of everyone involved. My RC, Vivianne, stood by my side every step of the way, and our new RGM, Claudia Yarbrough, along with the shift leaders and team members hired in November 2024, worked tirelessly to make this vision a reality.

My market and RGM's have truly shown me the spirit of teamwork by stepping up, sending their employees to help, working long hours, and continuing to deliver incredible success while building a solid foundation for this store to thrive and grow. Special thanks to Denisha at Natchitoches 2619, Jessica at Fort Polk/Johnson 24526, and Ashlie at Leesville 30183 for their crucial roles in training before the store opened. I'm deeply grateful to my peers who came out to support us: Tonya and her team, Swakeia and her team, Ivy and her team, and Nell and her team.

This journey was nothing short of amazing, and I'm beyond thankful to everyone who made it possible. Fun fact: I was born right here in Many, Louisiana, making this moment even more meaningful. To return to my roots and give back to this incredible community has been an honor. Together, we've brought something special to Sabine Parish, and I'm honored to be part of it.

Candice Loonsfoot, Area Coach

YOU HAVE A VOICE!

Employees can text anytime they feel they have been treated unfairly, harassed in any way including sexual, to speak about unsafe work conditions, or have any issues with pay or being paid properly and on time.

A MONTHLY PUBLICATION OF B&G FOOD ENTERPRISES, LLC

Drive Thru AI

By mid-February we will go live with an additional 120 stores on Drive Thru AI, that will give us approximately 160 of our 210 stores with the Drive Thru AI system. The remaining 50 stores will receive the Drive Thru AI in the coming months, we hope to be 100% Drive Thru AI at all our restaurants by April of this year.

AI has had some issues; we are working through those, and the system is improving fast. What is preventing our restaurants from getting the full benefit of DT AI is that the system is continuously being manually turned off by employees or not turned on at all. The reasons we have discovered this is happening is because the team members have not been properly trained to make sure the system is turned on and left on for every transaction. We have heard many excuses as to why AI is being turned off, and we have the data to prove that 95% of those excuses are false. All Head Coaches, Region Coaches, Area Coaches, and RGM's now have the ability to monitor when the AI system is not being utilized. This program is not optional; this is what we are going towards. We all need to embrace DT AI and be sure the system is turned on and left on the entire time the store is open.

Benefits of using the AI system properly are improved hospitality and accuracy for our customers, less stress on the DT cashier, and overall improved restaurant environment.

It will make everyone's job easier and provide a better overall experience for our customers which will get them to come back to us more frequently.

Change is tough, we all understand that, but this is one change that we absolutely have to make for the betterment of our restaurant teams and our customers.

This program is not optional, not using the AI system will cause disciplinary action, this is the last thing anyone wants, we all need to buy into the system and turn it on and leave it on for every transaction, and the system will improve quickly over time.

Please redouble your efforts to get your teams to properly use the system for those of you that have it already, and for those that are getting it next month please have your teams trained and ready to implement it, it is going to be a great thing for our teams and customers.

Any questions please get with your RGM or AC, together we can make our entire organization run better through utilizing DT AI properly.

W-2 forms will be mailed out by January 31st. Do we have your correct address?

Log in to the Netchex website to verify your SSN and your address.

Email all changes to payroll@bgfood.com

GED Graduation

Congrats to Monserrat Rangel for graduating from our GED Program. She completed the program while working full time as a Shift Leader at Sugarland and being a full-time parent to her daughter.

Are you a recent High School Graduate? Are you attending College or Technical School?

Do you or a Family Member need money for College or Technical School?

If you answered "Yes" to any of the above questions...

Apply for the B&G Scholarship!

- Any field of study • Employees or Immediate Family • Maintain a 2.0 GPA • 12 credit hours per semester minimum
- Any 2 or 4-year college or university or a program offered through any Community College or Technical School

Applications must be received by Monday, March 31st!

Scholarships are awarded on an annual basis & for tuition only.

The Application form will be on the B&G website at www.bgfood.com.
