HR Insights

Have you had your 1-on-1s lately?

We need a 30 day-notice when requesting FMLA leave of absence. If you have any questions, please refer to the handbook.

Payroll needs a minimum of 2 weeks' notice sent to them for all direct deposit changes.

Slip resistance shoes must be worn on the first day of work and maintained in good condition. Purchase new shoes when shoes are no longer slip resistant.

Make sure the "No Mopping Policy" is followed.

Remember to stay **CALM** when you are dealing with disruptive situations.

Check Assumptions: We all make assumptions based on our experiences. At times, these assumptions help us make quick decisions, but sometimes these assumptions get in the way of us being understanding.

Act Appropriately: Make sure your words, tone, and body language display good behavior.

Listen: Actively listening allows us to process what another person is telling us so that we can understand and make decisions.

Move Forward: Take quick action to solve the situation. Decide how to compromise or come to a resolution to move past the incident.

**HAPPY
EASTER**

YOU HAVE A VOICE!

Employees can text anytime they feel they have been treated unfairly, harassed in any way including sexual, to speak about unsafe work conditions, or have any issues with pay or being paid properly and on time.
