NACHO Average TEAM

Patrick's Region

From Area Coach: Ahakim Lacy

16664 Claiborne Ave., New Orleans, LA

"Team Claiborne has come a long way with making some great progress. Currently +15% sales gross year to date with +10% transaction growth. The Team passed both round 1 and round 2 of CORE and is still making headway overall. The team is currently running an average year to date speed of 3.32. They currently have a 3.21 stars and are working on moving up to 4 stars. Thanks Team Claiborne and continue all the hard work!"

Alma's Region

From Area Coach: Johnny Ochoa

29352 - Atascosita, TX

"I'd like to recognize Claudia Arias, the RGM at store #29352. Claudia took over the Atascosita store about a year ago, stepping into a challenging situation. The store was really struggling with staffing, speed, customer complaints, and with a supreme rating average of only 3.5. She made significant improvements, starting with building the right team. Her and her team have improved their supreme rating to a year to date of 4.5. She has overseen a nearby store that had the same issues and was able to help them improve their speed and supreme rating. Thank you, Claudia, and Team Atascosita for all your hardwork and dedication!"

Michelle's Region

From Area Coach: Kenneth Guidry

34620 - Florida Blvd. Denham Springs, LA

"I want to shout out to Teashelle Dominguez, the RGM at store 34620 Denham Springs. When you visit her store, the crew is always happy and inviting, this is a direct reflection of the store manager who is very in tune with her employees and store. Her employees are working towards goals set by her and have the same vision. Teashelle has been pushing to be a 5-star Restaurant for a while now and would always ask "What do I need to do to get there?" Last period she achieved that goal and continues to look like she will maintain it this period. Thanks Teashelle and Team Florida Boulevard for your passion in reaching your goals."

Carolina's Region

From Area Coach: Erick Ordonez

28399 - University of Houston

"I'd like to shout out the Katherine Hernandez, the RGM of University of Houston. Having a YOY sales % at 32.73 last period and above 52% in digital sales. Katherine and Team UofH do an amazing job despite the challenges that this store has because of the area that it's in while keeping a 5-star supreme rating. Thanks Katherine and Team UofH for all that you do!"

Vivianne's Region

From Area Coach: Tarica Ricks

37692 - MLK, Monroe, LA

"I would like to recognize Kendra Young and Team MLK in Monroe. This team has done an amazing job of maintaining a 4-star supreme rating. The RGM has done a wonderful job of developing the new management team. They have finished the year with only 2 CORES and a great RCP average year to date. Awesome job Kendra and Team MLK! Keep up the great work!"
