

BiG Taco Report

AUGUST

School is back in session!

Back-to-school season is here, which means busy schedules, packed afternoons, and plenty of families stopping by Taco Bell. For our teams, it's a great opportunity to bring our best energy to every shift and make each guest's visit a memorable one.

As students head back to class, be prepared for the after-school rush! Check your local high school football schedules, too. Friday night games can bring an extra wave of guests after the final whistle, so make sure your team is ready to deliver great service when the crowds arrive.

A little preparation can go a long way. Work together, communicate throughout the shift, and make sure everyone is ready to handle those peak periods with confidence.

Here's to a successful school year, strong teamwork, and bringing the Yes I Can! attitude to every shift.

Back to School

YOU HAVE A VOICE!

Employees can text anytime they feel they have been treated unfairly, harassed in any way including sexual, to speak about unsafe work conditions, or have any issues with pay or being paid properly and on time.
