A Taco Bell Christmas

In a cozy corner, warm and bright, Taco Bell glows with festive light.
Bells are jingling, tacos cheer; it's the most wonderful time of the year.

Crunchy shells and nacho cheese, fill the air with holiday ease.
Burritos wrapped with care and love, under twinkling stars above.

Santa stops for a quick bite, before he continues his magical flight.
With a Crunchwrap in his hand, he spreads joy across the land.

So gather 'round, friends and kin, let the Taco Bell feast begin.
With every bite, a wish comes true, Merry Christmas from me to you!
