

BiG Taco Report

Turning Guest Feedback into Guest Loyalty

Think about the last time you had a poor experience at a restaurant. Maybe your order was incorrect, the restaurant wasn't clean, or no one seemed concerned when something went wrong. Chances are you didn't expect perfection, but you did expect someone to listen, show they cared, and try to make it right. Our guests feel the same way.

Every customer complaint is an opportunity. When a guest takes the time to share a concern, they're giving us a chance to respond, recover, and earn their loyalty. One of the best tools we have is the RGM Dashboard, which allows us to quickly review guest feedback, respond directly, and close the loop with our customers in real time. A timely response lets our guests know their voice matters and that we are committed to improving their experience.

Just as importantly, let's prevent complaints by revisiting Serving Más, where the A stands for Accurate Orders.

Remember the 4 Ts:

- Tap – Tap in the order carefully and confirm all customizations are correct.
- Track – Follow each item from order to completion.
- Touch – Count and verify each item as a final check before bagging.
- Tag – Tag every order, whether it's a box, bag, or tray, and send it fresh.

Remember, guests may forget a mistake, but they will remember how we made them feel. By listening with empathy, taking ownership, and responding with urgency, we can turn a disappointed guest into a loyal customer. Let's continue to use the tools available to us, embrace feedback, and create great experiences for every guest, every visit. Small recoveries today lead to stronger guest loyalty tomorrow.

YOU HAVE A VOICE!

Employees can call or text anytime they feel they have been treated unfairly, harassed in any way including sexual, to speak about unsafe work conditions, or have any issues with pay or being paid properly and on time.

*Congrats
Team Wharton*

As we head into fall, the leaves might start changing, but don't expect the heat to go anywhere just yet! Between the warm weather, busy days, football season in full swing, and everything else happening around us, there's plenty of opportunity for us to show what our teams can do.

Thank you for bringing your energy, hustle, and positive attitude to work every day. Just like a football team, we win by working together, having each other's backs, and giving our best every day.

Let's make this fall season one to remember! Keep pushing, keep supporting one another, take pride in what you do, and most importantly, let's keep serving up that Yes I Can! attitude!
